#### **1. Registered shares and management of the share register**

The shares of Deutsche EuroShop AG are no-par-value registered shares. Section 67 AktG provides that such registered shares must be entered in the company’s share register, stating the name, date of birth and address of the shareholder and the number of shares held. Shareholders are required to provide this information to the company. New registered shares may be issued in the event of a capital increase. The banks involved in the acquisition, safekeeping or sale of your Deutsche EuroShop AG shares regularly forward this information and other details relevant to the management of the share register (e.g. nationality, gender and submitting bank) to the share register and the central securities depository, which perform the management of the share register, the technical processing of securities transactions and the safekeeping of the shares for credit institutions. For this

purpose, we process your personal data because this is necessary for compliance with a legal obligation on the basis of article 6 (1) sentence 1 c) GDPR.

## 2. Annual General Meetings

You can register for the Annual General Meeting, issue proxy authorisations and instructions to the company's proxies and exercise your other rights at the Annual General Meeting either online or by post or fax. For this purpose, we process your personal data because this is necessary for compliance with a legal obligation on the basis of article 6 (1) sentence 1 c) GDPR or, if provided for in the Articles of Association, for the performance of a contract on the basis of article 6 (1) sentence 1 b) GDPR.

## 6. Compliance with other legal obligations

Your personal data may also be processed to meet further legal obligations such as regulatory requirements and retention obligations under company, commercial and tax law. For example, when authorising the proxies nominated by the company for the Annual General Meeting, the rules require that the data which serve as proof of authorisation be verifiably recorded and stored for three years in a restricted-access manner (section 134 (3) sentence 5 AktG). Your personal data are processed in order to comply with a legal obligation on the basis of article 6 (1) sentence 1 c) GDPR.

## 7. Other legitimate interests

In individual cases, we also process your data to pursue legitimate interests on the basis on article 6 (1) sentence 1 f) GDPR. For example, this is the case if, in the event of capital increases, individual shareholders have to be excluded from receiving information on subscription offers due to their nationality or place of residence in order to comply with securities regulations of the countries concerned.

## 8. Change of purpose

If we plan to process your personal data for another purpose, you will be informed of this in advance in accordance with the statutory provisions.

## 9. Processing for contractual purposes

To the extent we process your personal data for the performance of a contract on the basis of article 6 (1) sentence 1 b) GDPR, the provision of such personal data is required for corresponding rights and obligations under such contract.
